**Subject:** Letter of Reference – Finley Engineering Group, Inc.  
Project: The Cliffs Communities Bridges, North and South Carolina

To Whom It May Concern:

Saddlebrook Construction has worked with Finley Engineering Group on many projects over the years, including the Cliffs Communities Bridges in North and South Carolina. Finley provided final design on approximately 20 bridges.

We enjoy a close working relationship with Finley Engineering and appreciate their professionalism and quick response to our requests. We knew we could count on them to provide us with timely submittals and they met and/or exceeded our expectations in all instances.

We will continue to think of Finley Engineering Group for our bridge design and construction engineering needs.

Should you have any questions or need additional information, please don't hesitate to let me know.

Sincerely,

Evelyn Robertson  
Vice-President
